NAME THEME GIRL FOR COUNTY FIESTA

With a $60,000 display of delicate and beautiful orchids fully arranged, and a lovely "Orchid Girl" already selected, San Mateo County's eleventh annual fiesta to be held at Bay Meadows from September 18 to 21 promises to be one of the most colorful and thrilling events since its inception.

On the evening of September 18 the visitor will be greeted by a myriad of these gorgeous blossoms and by the loveliness of Miss Jane Thompson, blonde, Junoesque former San Mateo county girl, recently chosen as the personification of the fiesta's theme. Miss Thompson, winner of three beauty contests and described as "very close to Petty girl proportions," is soon to bedeck the covers and pages of magazines and newspapers in heralding the fiesta throughout the land.

Already this year, directors of the four-day fiesta have received assurances that in addition to the floral and agricultural exhibits, Peninsula hobby enthusiasts are planning to participate on a larger scale than ever before. The mezzanine at both ends of the grandstand at Bay Meadows has been given over to this unit of attractions, permitting not only the representation of such hobbies as colored prints, dolls, gas planes, metal work, ceramics, clay modelling, glassware, archery, guns and leather work but also to many projects which will be designed and operated during the fiesta.

Policemen Complete Civilian Defense Study

Recipients of diplomas signifying their successful completion of a University of California course in "Civilian Defense," Police Chief James G. Reardon and Ed Ford, office man, are now planning a detailed course for all local policemen. They have attended an intensive study course during the past two weeks. Approximately 125 officers from Fresno to Seattle had enrolled for the training which was designed to increase police efficiency and knowledge in the case of an emergency.

Every phase of police work, particularly as related to civilian defense, was taken up in the classes, which met daily except Sundays.

Fifteenth Call To Take Only Three

Daly City Draft board No. 103 will supply only three men in the fifteenth induction quota call, it was announced today by Mrs. Effie Ford, in charge of the local draft board in the absence of Mrs. Isabelle Flynn, clerk.

Scheduled to leave at 7:15 a. m., Wednesday, August 20, the three entering Uncle Sam's peace-time army will be Howard William Young, 416 Templeton avenue; Michael Carter Callan, Washington street, Colma, and Phillip John Gibbons, Bayshore city.

Mrs. Ford stated that she anticipated all questionnaires for the new July 1 selectees would be mailed by the end of this week.

Next meeting of the local draft board has been scheduled for Wednesday, August 20, at 7:30 p. m. at the city hall, second floor. Mrs. Flynn will return to her duties at the city hall, next Monday morning.

Brigadier General Joseph O. Donovan, state director of selective service, has announced that 1,266 selectees will be supplied by California in the fifteenth call.

At the same time, General Donovan advised local boards that the

Eighty-seven foreign-born residents of San Mateo county, Saturday, had been admitted to American citizenship following naturalization classes conducted in the courts of two superior judges, from July 29 to August 7.

COUNCIL TAKES SIX IMPORTANT STEPS

Quirmbach Attends S. M. Defense Meet

Wheels of local defense machinery began moving last night with an "organizational meeting" of the San Mateo county defense council.

Arthur Quirmbach, Daly City representative to the council, attended the meeting held, at the Redwood City court house at 8 p. m.

Gilbert D. Ferrell, district attorney, called the meeting. The gathering, the first of the defense council, was for the purpose of setting up an organizational structure within the body. There was election of officers and broad outlining of intention.

Seventeen immediate activities to be undertaken by such councils were suggested in a Manual for Local Defense Councils, recently issued by the New York state Council of Defense. Some of these steps are as follows:

1. A survey of defense activities of local, public, and private agencies with a view to coordinating their efforts with those of the local defense council.

2. Study of transportation problems.

3. Completion of housing vacancy surveys.

4. Establishment of close cooperation between the defense council and the local office of the State Employment Service.

5. Initiation or expansion of vocational training programs,

(Continued on Page 3)

Vacation time cut attendance at Monday evening's city council meeting to an all time low of three spectators and a reporter from this newspaper. A councilman and the city clerk were absent from the city official family, yet some of the most important business of the year was handled:

1. Preliminary discussion on setting of the new tax rate.

2. Considerations in spending the $40,000 bond recently voted for improved fire protection.

3. The appointment of a city building inspector.

4. The abandoning of Quay street.

5. Resolutions to use quarter-cent gas tax money for curbs and gutters on west side of Mission street south of the high school and for preliminary surveys for a grade crossing at west terminal of Hillcrest drive and a connection to Junipero Serra boulevard.

6. The establishment of a local traffic safety committee.

Tentative budget figures for the new fiscal year 1941-42 indicate that Daly City property owners will enjoy the comparatively low municipal tax rate of 91 cents per hundred dollars that was set for last year, with the exception of a possible addition of 8 to 10 cents to finance the new $40,000 fire department improvement bonds.

The tax rate will be set at an adjourned meeting of the city council, tonight. Also scheduled for this evening's calendar is consideration of details regarding the spending of bond money for fire department improvement.

Peter J. Kelly, 40 Alexander avenue, was appointed building, plumbing and electrical inspector for the city at a salary of $180 per month. Kelly will also be responsible for inspecting gas appliances. He will go to work August 18. Kelly will take over the inspection work formerly handled by Water Superintendent Arthur Bodien and Police Officer George Hopman.

Proceedings were started to abandon Quay street, a short unimproved dead-end leading sharply up hill from Wellington avenue to the Market street quarry. Quay street comes into Wellington avenue opposite Brunswick street.

KNOW WHAT? IT'S VACATION TIME!

One of the most envy-inspiring vacations taken by local people this summer is that just completed by Mr. and Mrs. Edward Byrne and their three children Robert, Dorothy and Howard. They have been enjoying a trip through Mexico to Guatemala, C. A. Eight thousand miles by car and train is the length of their impressive itinerary.

They have seen famous century-old churches, fascinating Indian villages and ceremonials, smouldering volcanos. At left is the photograph the party took of the volcano, "Atitlan." The Byrnes saw three volcanos in this region.

High point of their trip was a

All set for camp! You bet! These are the Daly City boys who are vacationing at Camp Shadowbrook in the Big Basin, this week. The gentleman in the background, center, is R. L. Crane jr., chairman of Daly City Post No. 410, American Legion, coordinator for the summer camp program.

A city bus was used to transport the boys to camp, Monday morning. This photo was taken just before starting time at the Daly City WPA Recreation department headquarters, 101 Parkview avenue.

Schedule Baseball Games For Sunday

Al Erle, well-known San Francisco booker, has announced that the two semi-pro teams to meet at Marchbank field, Sunday, will be Alhambra Water and Kennelly Yankees. Both are good teams and a fine turnout is anticipated. The game will start at 2:30 p. m. It will be the second game of the day. First on the doubleheader will be the Daly City Juniors at 11 a. m.

Sunday will also see a good game at Jefferson diamond when Arc Electric clashes with the S. P. Club. The game begins at noon.

All Sunday baseball events will be under the supervision of the Daly City WPA Recreation department.

Hi Ho! Away To Camp They Go

"Here we go!" everybody shouted, and away they went.

The chock-full bus pulled away from the Daly City WPA Recreation center, Monday, to take 39 boys between the ages of 9 and 16 to camp in Big Basin — Camp Shadowbrook.

They had all been examined, brushed, scrubbed, and admonished, and now they were really going—after so long looking forward to the trip.

Even though the boys are subjected to a definite routine in camp they like it fine, as is evinced by their voluble praises when they return. This group will come back, Sunday about 11:30 a. m.

The boys will be taught all sorts of things, such as handcrafts, woodsmanship, and other outdoor activities. They will be divided into groups, each with an adult supervisor.

Only Daly City boys are at the camp this week. The camp is under the direction of Bruce Boynton, Daly City WPA Recreation director.

Careless Parking Cause Of Tragedy

A motorist's carelessness in parking on a Daly City hill almost cost the life of a small boy, Thursday.

Peggy May Miller, 5739 Mission street, neglected to turn her wheels in toward the curb as she parked in front of a friend's home on Brunswick street. When she was in the house, her car started moving down hill toward Crocker avenue.

Peter Raffo, 6, playing on the sidewalk, did not hear the car approaching and was struck, when the car jumped the curb. He was carried thirty feet.

The Junipero Serra hospital ambulance and attendants soon arrived. It was found that the boy had a fractured right leg. He was given first aid and rushed to the hospital.

The injured boy is the son of Mr. and Mrs. Raymond Raffo, of 198 Crocker avenue. The automobile came to a stop after crashing a picket fence half a block further on.

Ricco Benedetti Has Narrow Escape

Ricco Benedetti, sergeant on the Daly City police force, came within a hair's breadth of serious injury, Sunday, and didn't know it until Tuesday!

In the police office, Tuesday, Ricco was asked what was wrong with his cheek. Ricco touched it gingerly and said he thought it was an ingrown hair. Upon closer examination, however, it turned out to be a splinter of glass.

He was taken to Junipero Serra hospital, where the splinter — about half an inch long—was removed.

Ricco then remembered that something hit his face while he was patrolling Mission street on his motorcycle, Sunday. The glass had apparently been thrown up by the wheels of a passing car.

Which proves that there are more dangers than one in riding a motorcycle!

Studebaker Sales Hit New High

Factory sales of Studebaker cars and trucks during the month of July were the largest for that month in the history of the company, according to William J. Sweeney, local Studebaker dealer.

The total was 14,663 as compared to 1,573 unit factory sales in July, 1940, a month in which the plant was partially shut down in preparation for the next year's models. For the first seven months of 1941, factory sales amounted to 86,143 units in comparison with 63,361 in the same period in 1940.

Retail deliveries in July were 13,503 which is the highest figure for that month since July, 1923. For July, 1940 retail sales were 9,001 units. In the first seven months of 1941 retail sales were 84,323 units as compared to 63,009 in the same period in 1940.

visit to Chichicastinago, an Indian village where they were privileged to see ancient ritualistic ceremonies.

The Byrnes drove their own car to Veracruz, Mexico and from there traveled to Guatemala by train.

Byrne, who is proprietor of the Byrne Radio Store, 6241 Mission street, was born in Guatemala. His father, Edward James Byrne, laid approximately four hundred miles of rail roadbeds in Guatemala, a number of years ago. It was quite a thrill for the Byrne party to go over some of the same track and through some of the tunnels which Byrne's father had built.

The Byrnes, who left Daly City, June 19, for their southward trek, arrived back home, Friday.

The average family needs two cars. Make the second car a good used car from National Auto Company and you'll have transportation at low cost. Many late models.

1. To use quarter-cent state gas tax funds to put in curbs and gutters on the west side of Mission street from the high school south to Vale street.

2. To make a topographical survey at the western terminus of Hillcrest drive preparatory to the establishment of a grade crossing and a connection to Junipero Serra boulevard.

Councilman Edmund Cavagnaro cited numerous complaints made to him by residents regarding reckless and fast driving along residential streets by certain local youths. He requested the Daly City Record to handle publicity on traffic safety and to inaugurate a campaign promoting traffic safety. Outcome of his suggestion was a proposal to establish a per manent traffic safety committee for Daly City.

Representatives for Foster and Kleiser Sign company and Mrs. P. L. Petersen, an owner of property on Mission street adjoining Jefferson Union high school, appeared before the council to answer objections made by high school authorities to the erection of bill boards on the property. Assurances were given that the bill boards would be of the standard poster panel type and no advertisements objectionable to school authorities would be placed thereon. A second request was made for a permit to erect the panels.

Arthur Bodien reported that Daly City had appropriated approximately $375 to U. S. O., and that 420 pounds of aluminum had been collected locally for the recent aluminum drive.

Pardon me— have you heard?

The San Francisco summer symphony series continues with **A FREE CONCERT** by the Northern California WPA symphony at the Civic auditorium, Tuesday, August 26.

Sponsored by the San Francisco Art commission, these programs are bringing fine music to Bay area residents free of charge.

The symphony will play under the direction of Nathan Abas. Harry Kaufman will appear as soloist in the second Rachmaninoff piano concerto.

No admission charge will be made for this concert, scheduled to start at 8:30 p. m. The complete program will include Aaron Copland's Music for the Theatre, the C minor piano concerto of Rachmaninoff, Liszt's tone poem, Les Preludes, and a performance of the Shostakovich Golden Age Ballet suite.

Full-fashioned **COTTON HOSE** that are sheer, stylish and well-fitting are ready as substitutes for silk or nylon stockings in the event the raw silk supply is cut off and nylon is needed for parachutes and other military equipment.

For three years, the Department of Agriculture's Bureau of Home Economics has been carrying on extensive research in full-fashioned cotton hose for women. As a result, it now has 150 designs ready for release to manufacturers, and 260 more in preparation.

The designs range in variety and weight from cobweb mesh for dress wear to plain knits for every-day use. They call for combed, gassed and mercerized yarns spun of long-staple American cotton. Practically all can be woven on the same machines now manufacturing silk and synthetic hose.

University of California **EXTENSION DIVISION CLASSES** in Oakland, San Francisco, Berkeley, Richmond, and Alameda will open during the last week of August and throughout September. According to Irene Hofmeister, executive class secretary, courses in more than 350 subjects will be offered.

Miss Hofmeister, in making her announcement last week, said that the greater number of classes have been arranged for evening hours, but that many have been scheduled for morning and afternoon time. Fees for the classes are among the lowest in the country and full refunds, she said, will be made to persons called for duty in the armed services.

HUGE CROWDS SEE GAME

Owl Drug Defeats Longshoremen Sunday

One of the largest crowds ever to turn out for a Daly City baseball game watched the Owl Drug nine defeat the Longshoremen, Sunday, at Marchbank field. Both are double A teams and the 3 to 2 score represented a thrilling game.

High point in the tense, well-played game came when Gulbeck of the Longshoremen was put out at home by a wonderful peg from Wetmore, right fielder. If the Longshoreman had not been stopped at home place, the play would have resulted in a tieing run in the ninth inning. It was the third out in the inning.

Tony Patch, Owl catcher, chalked up three putouts at first base and hit exceptionally well when the Owls were at bat.

Spectators more than agreed with Al Erle, San Francisco baseball bookmaker, that the game was a "rattling good" one.

The game, played at 2:30 p. m., was the second of a doubleheader bill at the new diamond. Supervising the field was the Daly City WPA Recreation department.

Box score follows:

Fans saw two games, Sunday, at the Jefferson diamond. The Colma Merchants defeated the Oakland Teamsters 13 to 8, while Arc Electric took the game from Mi Rancho to the tune of 5 to 4.

Playing on the Colma Merchants team were Costiglioni, Gulici, Gianni, Flynn, B. Nava, Cayssials, Chapman, Rankin.

Eagles Plan Deep Sea Fishing Excursion

Three-thirty a. m. is awfully early, but that fact is not expected to daunt members and friends of Colma Vista Grande Aerie No. 1848, F. O. E., who are going deep sea fishing, Sunday morning. The excursion plans include arrangements to meet at the "top of the hill" in Daly City for breakfast and then to board a chartered bus for Santa Cruz.

Price for this gala event will include breakfast, fishing boat, bait and line, and dinner. The committee described the charge as "nominal." Only a limited number of tickets remain and those interested are urged to contact any of the following Eagles at once: Mel Battye, Dale Hovey, Bert Meritt or John Craig.

All Breeds Dog Show Set For Sunday

Kyle Onstott, one of California's best known dog experts whose home is in San Francisco, will judge the "best dog of show" in the sixth annual All Breeds Dog show which takes place next Sunday, under the auspices of the Marin North Bay Kennel club, in California park, San Rafael.

Motor busses, which will leave Fifth and Mission, Sunday, at 9 a. m., will transport most of San Francisco's entries to the show. Some 500 dogs will be exhibited during the day. The Dog Show headquarters which are in the Governor hotel, at Turk and Jones streets, are in charge of Charles W. Ward, secretary-treasurer of the Marin-North Bay Kennel club.

SHE'S HOOPING IT UP

Hoop skirts are a little difficult when it comes to climbing through fences, pretty Annalouise Freise discovered when she experimented with an old costume in preparation for her participation in the "Girl of the Olden West" contest which will be a colorful highlight of the 87th annual California State Fair in Sacramento, August 29 through September 7. If Annalouise wins she'll be named "Miss Old West" and awarded $200 on [illegible] Day."

Alabama Homicides

Homicides are decreasing in Alabama. There were 29 less homicides in the state in 1939 than in 1938, the state health department vital statistics bureau reports.

Mail Truck Crashes Into Street Car Here

William A. Stewart, San Francisco, lost control of the mail truck he was driving, early Wednesday morning, and crashed it into a street car in front of the Daly City post office.

Motorman of the street car was T. L. Marshall, also of San Francisco. No one was hurt.

Daly City Juniors Lose To Owl Nine

In the first game of Sunday's doubleheader at Marchbank field the Daly City Juniors met defeat by the Owl Drug Juniors, 4 to 2, in a 12-inning game.

The local team got eight hits, made six errors, while the visitors got 11 hits and made only one error.

Bernard, new pitcher for the Daly City Juniors, pitched a very heady game. He had fifteen strike-outs.

The game, which opened at 11 a. m., was supervised by the Daly City WPA Recreation department.

Box score for the locals was:

A New Layer Cake

By Frances Lee Barton

WHAT tastes better than a layer cake? Here's one that will appeal to those who like good cake and to those who always nibble first at the filling or the topping. Try it on your family and you'll repeat it for your guests:

Apricot Cream Angel Layers

1 cup sifted cake flour; 1¼ cups sifted granulated sugar; 1 cup egg whites (8 to 10 egg whites); ¼ teaspoon salt; 1 teaspoon cream of tartar; 1 teaspoon vanilla; ¼ teaspoon almond extract.

Sift flour once, measure, add ½ cup sugar, and sift together four times. Beat egg whites and salt with rotary egg beater or flat wire whisk. When foamy, add cream of tartar and continue beating until eggs are stiff enough to hold up in peaks, but not dry. Add remaining ¾ cup sugar, 2 tablespoons at a time, beating with rotary egg beater or whisk after each addition until sugar is *just* blended. Fold in flavoring. Then sift about ¼ cup flour over mixture and fold in lightly; repeat until all is used. Bake in two ungreased 9-inch layer pans in moderate oven (350° F.) 25 minutes, or until done Remove from oven and invert pans on rack until cake is cold. Spread Apricot Cream Topping between layers and sprinkle top of cake with confectioners' sugar.

DEFENSE BOND Quiz

Q. Where should I keep my Defense Savings bonds?

A. In a safe place, because they have value which constantly increases. If you wish, the Treasury department or any Federal Reserve bank will hold them in safekeeping for you without charge, giving you a receipt.

Q. Does an album filled with stamps automatically become a bond that will pay interest and mature in 10 years?

A. No. The completed album must be exchanged for a bond. Regardless of the amount of money you have invested in stamps, they will not bear interest until they are in the form of a bond or bonds.

Note.—To buy Defense bonds and stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C., for a mailorder form.

Ice Follies At Winterland Set All-Time Box Office Record Here

Now nearing the end of its current run at Winterland, in San Francisco, the spectacular Ice Follies of 1941, latest edition of the world's greatest musical revue on ice, is setting an all-time box office record for Bay area entertainment.

The glittering ice show, presented nightly by a cast of international skating stars, is making its third visit to San Francisco and is proving to be a bigger-than-ever attraction for both local people and out-of-towners.

The current presentation of the Ice Follies is entirely different from the one which delighted hundreds of thousands of people in San Francisco last year and the year before, as well as millions of others throughout the country. Program, music, routines, costumes and lighting have all been changed.

Comedy is being stressed, along with the graceful performance of highly trained precision numbers which feature the gorgeous "Ice Folliettes." Comedians again include the renowned team of Shipstad and Johnson; Frick and Frack, the McKelland Brothers and others. Evelyn Chandler and Bruce Mapes, Bess Ehrhardt and Roy Shipstad, Fran Claudet and Osborne Colson, Idi Papez and Karl Zwack are among the other famous ice skating stars appearing nightly.

Ice Follies tickets are available for every performance at Winterland, WAlnut 0112; at Sherman Clay box offices in San Francisco and in Oakland; and by mail order addressed to Winterland, Post and Steiner streets, San Francisco.

TRAFFIC COURT

When It's Time To Stop, STOP!

Failing to stop at an arterial sign is a pretty serious charge in itself, but when the offender fails to stop at the sound of the police siren and resists an officer, the charge becomes very serious. Robert G. Onyon, San Francisco, found this to be true when he was given a severe talking to by Judge Wade H. Clay and fined $45 for resisting an officer and $5 for going through an arterial stop, in court, Friday.

Paying a $10 fine for speeding was Albert McCoy, San Francisco. Premo A. Venturino, San Francisco, was arrested on two charges of speeding. He paid a $5 fine for each charge.

Frank J. Martorano, 46 Natick street, paid a $5 fine for speeding.

John Burke, San Francisco, forfeited $5 bail for nonappearance on being intoxicated in a public place.

Each of the following paid $2.50 for speeding: G. Pisani, Edmund Museat, Patrick Mullin, (suspended), San Francisco; Eugene Eakle, Colma; Thomas Kay, South San Francisco; P. Eastman, San Bruno; Donald M. Burrows, 258 Parague street; and Samuel Protze, San Mateo.

Disregarding signals cost each of the following $2.50: Frank McArdle, and Joseph Bauer, San Francisco.

Victor Gvasdio, Giuli Baccei, Frank Allegrine, Neils Ingvarsin, San Francisco, each paid $1 for going through a signal.

Mario M. DeLemon, San Francisco, paid $2.50 for going through an arterial stop.

POTS AND PANS FOR NATIONAL DEFENSE

Piled atop a truck, Daly City's aluminum contribution is pictured above just before it was sent to the smelter. This community contributed 420 pounds, according to Arthur Bodien, chairman. Bodien, on behalf of the city, expressed his appreciation to all local citizens who helped in the drive.

Looking over the truckload above are Mayor John J. Fahey, Edward Olson, driver of the truck from the War department, and Bodien.

County Budget

Public hearing on the San Mateo County budget for the 1941-42 fiscal year has been set for August 26 by the board of supervisors.

The budget, which now is being studied by the supervisors, must be adopted by August 20. While members of the board have been able to study the many requests in the budget but briefly, it was indicated that some increase in the tax rate is inevitable for the coming year.

Increased assessed valuation in the county will, in a measure, offset some of the increase that is expected in the final total of the budget.

Special Stamp

The National Society of Daughters of the American Colonists has asked the post office department to issue a special stamp to honor Mary Ball, mother of George Washington.

Daly City Falls Far Below USO Quota

"Look, everybody's out of step except Johnny" might well be Daly City's theme song this week as Arthur Bodien, chairman of the local U. S. O. drive reports Daly City far behind in its quota. The committee has received only $376.72, while the figure set for a community of this size was $1,700.

Bodien said that although Daly City's drive for funds was technically closed, donations would still be taken by the local treasurer, F. Erickson, at the Bank of America.

Peninsula and Bay area cities in general exceeded the quotas set for them by the national U. S. O. committee.

Cut Rate Partner On Vacation Trip

James Ramondi (popularly known to all Daly City Cut Rate Market patrons as "Jimmy") and family are vacationing this week in Southern California. A man who believes in doing things in a big way, Jim promised to bring back many big fish and as many big deer as the law will allow.

While Ramondi is gone, Partner Tom Passantino and Clerk Bob Hunter are keeping things going at Cut Rate.
